## About Me

Originally trained as a language teacher, my passion for technology led me to the world of software development. I've built skills in React.js, Next.js, React Native, Node.js, and databases—turning curiosity into real-world projects. A lifelong learner who thrives on solving problems, creating seamless user experiences, and staying ahead in the tech world.

## Education

### Bachelor's Degree, ELT

Çanakkale Onsekiz Mart University

Jan 2004 - Jan 2008

### IT Support Specialist, Information Technology

INCO Academy

Oct 2022 - May 2023

### Software Development

Sweden

Jan 2021 - Oct 2021

## Employment & Experience

### Full Stack Developer

Didiyos

Jan 2024

- Developed dynamic and responsive **React applications** using **Redux and TypeScript**, improving performance and maintainability.
- Designed and implemented **RESTful APIs** using **Node.js and Express.js**, ensuring secure and scalable backend solutions.

Managed databases with **MongoDB and SQL**, optimizing queries and indexing for faster data retrieval.

### Back-End Developer

Arabuleu

Feb 2023 - Dec 2023

- Scalable Backend Services:** Built and optimized high-performance APIs using Node.js, Express.js, and Next.js API routes, ensuring seamless data flow between front-end and back-end.
- Database Management & Optimization:** Designed, implemented, and optimized database schemas in MongoDB (Mongoose) and SQL to enhance query efficiency and scalability.

### React Native Mobile Developer

EmaarTechs

Mar 2022 - Feb 2023

- Cross-Platform Mobile Applications:** Built and optimized iOS and Android apps using React Native, ensuring high performance and a seamless user experience.

### Frontend Developer

Mimcode

Apr 2020 - May 2022

- Responsive Web Applications:** Built modern web applications using React.js, Next.js, TypeScript, and TailwindCSS, ensuring responsive, fast, and SEO-optimized user interfaces.

### Language teacher

Public Schools Ministry of Education

Aug 2008 - Sep 2018

- Utilized technology and online resources to enhance language learning experiences and encourage student participation.
